Eligibility & Criteria

The Jane Stock Foundation seeks to make a difference in the lives of young adults, and adults young at heart, by providing scholarships to those embarking on post secondary education through the Jane Stock Excellence in Horticulture Scholarship.

Several \$1,000 scholarships will be offered for qualifying BCLNA members in good standing, their children or grandchildren. Employees working for a BCLNA member company also qualify (including their children) and are encouraged to submit an application form.

While the foundation supports horticulture, Jane was an advocate for anyone advancing their interests with higher education. So, this scholarship encompasses all areas of study.
